

LANDSCAPING SERVICES

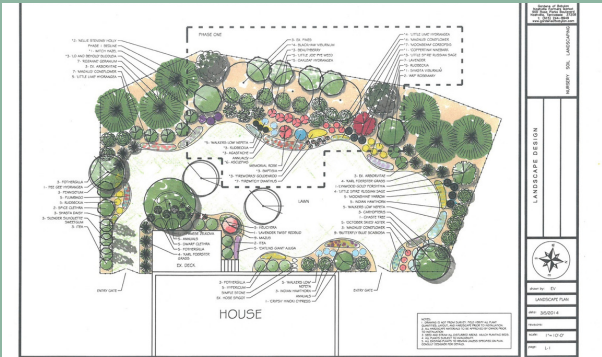

INSTALLATION

DESIGN

MAINTENANCE

LANDSCAPE DESIGN

We offer a range of design styles and elements. Depending on your needs and size of area, a design quote can be supplied. Every design begins with a landscape assessment, which includes: sun exposure, drainage, pest/disease concerns, traffic and usage patterns, trouble areas, pet requirements, plant preferences, and client's budget.

DESIGN SERVICES

- Existing Site Measurements & Photography
- Hardscaping, Lighting, and Irrigation Plans
- Computer Scaled 2D CAD Landscape Masterplans

FAMILY TREE

Gardens of Babylon is Nashville's largest family owned nursery and landscaping company, specializing in natural techniques and amendments. Since 2003, we've built a reputation on caring for customers and landscapes.

IN YOUR WORDS

"Gardens of Babylon is the best. They designed our landscaping beautifully and kept in mind that we do not have green thumbs. They did a beautiful job and took their time explaining how to care for the plans. We will ONLY call Gardens of Babylon for anything we need."

- Customer Google Review
